

Supply and Demand

ECON 1450: Principles of Microeconomics

University of Vermont

Department of Economics

2026-01-01

Theme Sampler

This presentation demonstrates the **Bold Visual** theme

Eye-catching colors ■ Geometric elements ■ Strong visual impact

Ideal for: engaging presentations, large audiences

Learning Objectives

By the end of this lecture, you will be able to:

- ▶ Define **competitive markets** and the supply-demand model
- ▶ Distinguish between **movements along** curves and **shifts** of curves
- ▶ Identify the five demand shifters and five supply shifters
- ▶ Find market **equilibrium** and analyze shortages and surpluses
- ▶ Predict price and quantity changes from market shocks

Two-Column Layout Example

Demand Shifters

TRIBE mnemonic:

- ▶ **T**astes
- ▶ **R**elated goods prices
- ▶ **I**ncome
- ▶ **B**uyers (# of consumers)
- ▶ **E**xpectations

Supply Shifters

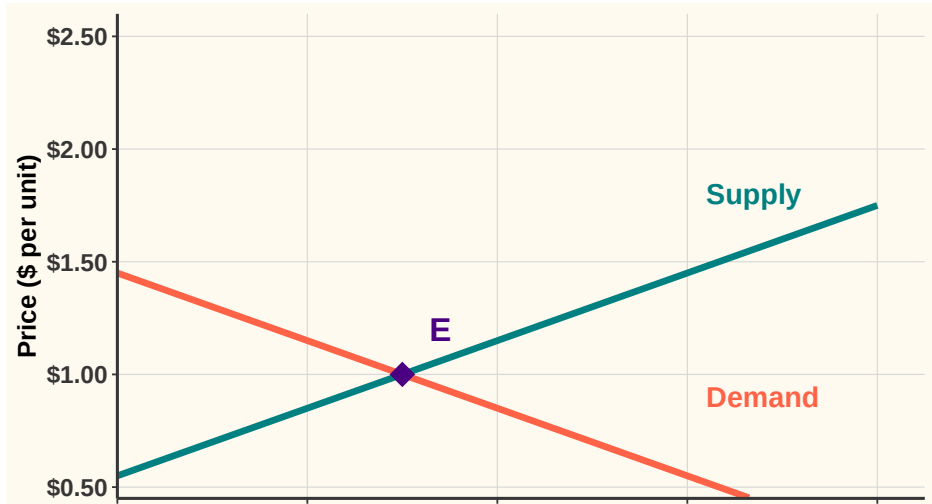

TONER mnemonic:

- ▶ **T**echnology
- ▶ **O**ther goods prices
- ▶ **N**umber of producers
- ▶ **E**xpectations
- ▶ **R**esource costs

Pro Tip

If the changing variable is on the Y-axis (price), it's a **movement**. Otherwise, it's a **shift**!

Supply and Demand: Market Equilibrium

Knowledge Check

Question: If garden gnomes regain popularity, what happens to equilibrium price and quantity?

- a) Price $\uparrow$, Quantity $\uparrow$
- b) Price $\uparrow$, Quantity $\downarrow$
- c) Price $\downarrow$, Quantity $\uparrow$
- d) Price $\downarrow$, Quantity $\downarrow$

Knowledge Check

Question: If garden gnomes regain popularity, what happens to equilibrium price and quantity?

- a) Price $\uparrow$, Quantity $\uparrow$
- b) Price $\uparrow$, Quantity $\downarrow$
- c) Price $\downarrow$, Quantity $\uparrow$
- d) Price $\downarrow$, Quantity $\downarrow$

Answer: (a) Price $\uparrow$, Quantity $\uparrow$

Reasoning: Tastes shift demand right $\rightarrow$ higher willingness to pay at every quantity $\rightarrow$

Summary: Bold Visual Theme

Design Features:

- ▶ Striking coral and teal color combination
- ▶ Bold geometric elements in header/footer
- ▶ Large, impactful fonts
- ▶ High visual contrast
- ▶ Rounded blocks with shadows

Best For:

- ▶ Large lecture halls
- ▶ Presentations requiring visual engagement
- ▶ Student-focused environments

Graph Style: Bold lines, strong colors, dramatic presentation
